

PETER BENVENUTO

SENIOR PRODUCT DESIGNER

EXPERIENCE

Senior Product Designer | 1Password

SEP 2024 - PRESENT, TORONTO, ON

- Owned 2 strategic growth initiatives for B2B products, driving growth for new product lines.
- Leading and mentoring 2 Junior or Intermediate Product Designers on a rotating schedule, focusing on growth strategy.
- Contributed to the Knox design system by developing 3 major core components and authoring documentation to support their usage.

Senior Product Designer | Capintel

MAR 2024 - SEP 2024, TORONTO, ON

- Developed strategic solutions for major U.S. clients, supporting successful expansion into the US market which saw 40% increase in sales volume.
- Established UX research processes and practices, leading the company's first user research studies and presenting insights through structured shareouts.

Senior Product Designer | Mozilla

MAY 2021 - FEB 2024, TORONTO, ON

- Owned design and strategy for our core global VPN product helping to increase MRR ~90% (\$334k to \$656k).
- Led design discovery and execution of all major features which grew our subscribers from 50k active subs to 127k active subs in 30 countries.
- Led initiative to improve the conversion funnel which, despite the fact that our customer base grew YoY, support tickets related to login dropped ~60% and account conversion improved ~50%.
- Led org-wide design system audit, rebuild and maintenance that was scaled to 4 products.

Product Designer | Intrado

MAR 2021 - MAY 2021, TORONTO, ON

- As the sole designer I was responsible for design strategy, research and execution of 5 major features of our core SaaS product.

Software Engineer | InvestCloud Inc.

SEP 2018 - MAR 2021, BURLINGTON, ON

- Design RESTful web APIs to seamlessly extract client data from existing CRM systems.

EDUCATION

BrainStation | Diploma, User Experience Design

SEP 2020 - DEC 2020, TORONTO, ON

York University | Bachelors, Political Science

SEP 2011 - 2014, TORONTO, ON

PROFILE

I'm a product designer and overall creative technologist with over 7 years of experience across disciplines. I started my career as a software engineer where I was building products for over 3 years, fast forward to now, where I enjoy driving strategy to help solve problems for users. I'm passionate about storytelling, crafting beautiful experiences, scaling design systems, and shoes.
